- 28/4/20  
Term 2 Commences

*Have a happy & fun Easter, stay safe  
enjoy the time with your families*

### Tips for Successful Home Learning

- Set up a routine
- Set up a learning space.
- Minimize distractions
- Be prepared - have your materials & resources ready
- Have a scheduled breaks

Dear Parents,

As Term 1 comes to a close our school community is facing some unique challenges that we have never experienced before. I would like to thank our amazing community for your support during this time. The staff have been overwhelmed by the caring conversations, emails and comments they have received and we thank you all for being so understanding.

As we look forward to Term 2 staff have been very positive about embracing the new approach to teaching and learning through Seesaw and video conferencing. Staff continue to work hard ensuring that all students have access to engaging and purposeful learning experiences.

Given the current circumstances please ensure you are connected to the school via the Facebook page or the Skoolbag app to enable us to get information to you on a daily basis. These two platforms allow us to communicate with families easily and quickly. Keep an eye out for the launch of 'Coorara TV' on Facebook.

Through all of this, please be assured that the health, safety and emotional wellbeing of children, staff and community members, is our number one priority. With the approach of school holidays, we wish our families a safe, healthy and happy break.

Warm Regards  
Rebecca Read

### REMINDER

**Monday 27<sup>th</sup> April - STUDENT FREE DAY**

of South Australia  
Department for Education

## News from Room 10 -Coorara Kids Tuck-shop

Room 10 have been running the Coorara Kids Tuck-shop at recess time. It is fun to work in the Tuck-shop because we get to serve students, take customers money and work out change.

In the Tuck-shop we sell chips, pop-corn, cookies, ice-creams and ice-blocks. On Fridays we do a big clean, we wipe over all the counters, sweep and wash the floors. Mia.

Mrs V helped us to make aprons. We needed to measure and sew our own. We learnt how to use a sewing machine and showed our creativity. I like selling food because we get money for our school. Jayden

I like helping in the Tuck-shop. We show the kids what they can buy.

Jackson

It is fun to help in the Tuck-shop and serve the kids. Ollie

Blake enjoyed using the sewing machine with Mrs V.  
William enjoys taking the money and working out the change.  
I enjoy telling the kids to have a good recess. Phillip

## Home Learning Packs Collection Day

Thursday 9<sup>th</sup> April  
**RESOURCE CENTRE**

**Karina Carlisle**  
**Our Amazing**  
**Resource Centre SSO**

Karina lives with her husband Malcolm, daughter Skye 16 and son Brock 12. They have a Labrador cross Great Dane called Phoenix. The family love taking Phoenix to the Coorara oval for a run and to the Beach.

Karina loves going back to England to see her Family and to get away from our Australian Summers. She loves the cold and the snow.

Karina goes to the Gym 3 times a week, plays social Netball and barracks for the Crows.

While Karina is relaxing at home she loves to crotchet and eat lots of chocolate. Her favourite present is Chocolate. (Not dark chocolate) Clearly, she loves Easter!

Karina's busy day doesn't stop at 3.10pm, she spends 4 -10hrs a week setting up the Resource Centre for the following day or she is planning an event. On a Thursday night Karina picks up bread/rolls from Bakers Delight for the children to take home on Fridays – Thank you Karina. Karina buys books for the Resource Centre, putting up displays, helping with Fundraising events, organising and running Playgroup and Little Book Worms, Open nights, Xmas Pageant and supporting the children whilst using the I Pads. Karina loves working with children and being able to help them with their day to day activities.

When it is time for the children to return to class she always says "See you later alligator" as they are leaving.

Thank you, Karina, for the amazing work and time you put into our Resource Centre to make it a peaceful, inviting place to read a book and relax.

**"A Resource Centre is the delivery room for the birth of ideas, a place where history comes to life"**

Message from

Children's University

We hope you are managing the current difficult and ever-changing circumstances as well as possible.

The CUA team are busy developing online resources to support our CUA members during the coming weeks. As these resources become available, they will appear on both the portal and existing website to allow maximum access for all. Please encourage anyone, not just CUA members, to access the activities placed on the CUA website (<https://cuaustralasia.com/adults/learning-destinations/onlineactivities/>).

In addition to these resources, we have received permission from the author, Rick Berry, to circulate the School Badge Challenge to all member schools. Rick has kindly made the second pack available free of charge. The activity pack has over 50 hours of CUA validated learning. The resource is also available here ([https://cuaustralasia.com/adults/learning-destinations/why-become-a-learning-destination/?cu\\_region=SA](https://cuaustralasia.com/adults/learning-destinations/why-become-a-learning-destination/?cu_region=SA)) with access to a larger version including more validated activities. Please keep an eye on the CUA website and Facebook page for updates.

Coorara will post updates to the Facebook page as well.

## COORARA EASTER RAFFLE

Will be drawn on Friday 3<sup>rd</sup> April

Winners will be  
notified

**"Good Luck"**
