Dear Families,

The 2020 school year is off to a flying start! It's been wonderful to see the children arriving to school on time, dressed in their school uniform and ready for learning. Walking through classrooms I notice calm classrooms, children engaged in their learning and teachers interacting with students. Thank you to families for supporting their children to return to school after the long summer holidays with a positive mindset.

The first weeks of school are all about teachers and children working together to create safe conditions for rigorous learning. This year we are starting the year with our **Soaring to Success** program. Soaring to Success teaches the skills that prepare students to be lifelong learners. The program has a specific focus on our school values and learning dispositions.

Our learning dispositions are the 5 habits that we believe are important for all children to develop during their years at Coorara. A few years ago these cartoon characters were developed by a group of student leaders. Keep your eye out for these friendly characters in the courtyard!

We are communicators

We are resilient

We are open minded

We are creative

We are curious

Our first community event '**Feathery Family Fun Fest'** will be held in the courtyard next Wednesday from 5:30pm. There will be lots of fun activities for all the family and we are providing free pizza and drinks! The night is great opportunity for our community to come together, build relationships, learn more about our learning dispositions and have lots of fun.

Our first **assembly** for this year is next Wednesday in the hall at 9:00am, Mrs Middleton and her class are hosting the assembly. We will be welcoming 51 new students to our school. We hope see lots of community members at our first assembly for 2020!

Regards,
Rebecca Read
Principal
