Learner Disposition 5 SNAPSHOTS

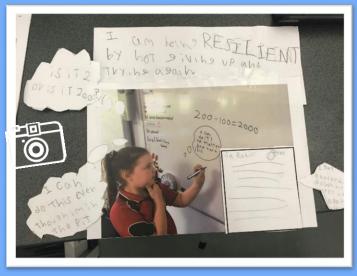

Hello Coorara Primary School Community! Here in Room 12, we can't believe that it's already Week 4. This term is just flying by so quickly. We've really enjoyed lots of quality learning already this year but something we have spent a lot of time focussing on are the school Learner Dispositions; with these being RESILIENT, CURIOUS, OPEN-MINDED, CREATIVE & COMMUNICATOR.

Students have been asked to regularly check in and identify where, throughout their day, they have used each of the learner dispositions. This week, students were asked to take it one step further and create a "Learning Snapshot" that showcases a moment in time where they have to use a specific disposition. See if you agree what learner disposition we are using and keep your eyes open during your day for what learner disposition you might be using!

Maz's Staff Stories

Sandy McKell is our Front Office Extraordinaire & Admin Secretary

Sandy lives at Aberfoyle Park with partner & her 3 beautiful cats:-

Leo – A Big Fluffy Ginger, Jazz – A Grey Russian Blue and Timmy – the baby of the 3 with misty grey fur and a white bib and white paws (very cute!!)

Sandy has travelled to England and Paris and while in Paris she went to the Eiffel Tower, a cruise up the River Seine then to see Moulin Rouge dance show.

When she isn't travelling Sandy is spending time in her garden, doing crafts, playing with her 3 cats or spending a great deal of time with her 7 month old granddaughter Charlotte and 6 month old grandson Taylor. Sandy loves nothing but a good massage and loves receiving massage vouchers.

Sandy came to Adelaide from Port Augusta where she taught in a Calisthenics Club for 37 years. Sandy is our schools Choreographer for our Wakakirri Performances each year and she does an excellent job. - Thank you

Holidays are spent relaxing and spending time with her grandchildren she also attends Wakakirri holiday practices, making sure everything is perfect for the Big Night, helping with costumes and getting items ready for Family Fun Nights, Graduations and other school events.

Sandy loves the variety that is in the school environment and she loves nothing more than seeing and watching the students grow and learn.

Thank you Sandy for the amazing work you do to help make the school run as well as it does.
