MAGICAL MEMORIES RECEPTIONS 2020

Using photos and craft materials the Reception students created a collage of their first weeks at school.

The children enjoyed telling their parents all about their first weeks at school as they cut, glued and created a special keepsake.

Maths Card Games using Place Value

We are showing resilience by not giving up. If we lose we just try again by being a good sport. By Jess

Communication was an important part of playing the game. By Brianna

In Room 17

We were curious to see what the other person's cards were and how they would place them. By Angelbelle

We didn't know how to play the game at first but we were open minded and gave it a go.

I can create the highest possible numbers using my three cards.

Maz's Staff Stories

**Rebecca Read is our
Extraordinary
Principal**

Rebecca lives with her husband John, son William and her long-haired dachshund named Buster.

Rebecca loves nothing more than taking Buster on walks and enjoying the fresh air and nature. Rebecca loves Tap Dancing and has already shown the school her great moves at an end of year xmas Assembly a couple of years ago. For all the new students at the school she just may do it again for us - so you'll have to ask her. In what little spare time she has, Rebecca enjoys Patchwork Quilting and going to the Gym.

Rebecca loves travelling overseas and has been to London, Paris, Berlin and India. She particularly loves these places because there is so much History, Architecture and Culture. Rebecca loves to go to the Ballet, and the Theatre whilst she is away.

Rebecca is a strong supporter of the Adelaide Crows (go crows, we fly as one!). When she was younger, she was in the crows cheer squad – "wow" what a great achievement and experience.

Rebecca has always wanted to be a teacher since she was very young as she loves working with children. She loves seeing the "Light Bulb Moment" when watching children progress and learn. She is a devoted Principal at our school, getting to school most days at 7.00am and leaving around 5.45pm. She is always taking work home and works late into the night. Her own time is spent organising school events, xmas pageants, fundraising, school promotions, making home visits, ringing parents, shopping for Wakakirri costumes and materials and attending the Governing Council Meetings at School.

Rebecca is very passionate about learning and the Power of Education.

Thank you Rebecca for your dedication to our school you love working in, your hard work and devotion to all the students, teachers, SSOs and volunteers is remarkable and doesn't go unnoticed. You deserve a beautiful bunch of fresh flowers which you love receiving, in your office every week – it is very much appreciated.

"Education is the most powerful weapon which you can use to change the world"

Easter Raffle

This year we are holding an Easter Raffle as part of
our fundraising efforts.

**We are asking for donations of Easter goodies from
our school community.**

Donations can be handed in at the Front Office.

- Tickets cost \$1.00 each.
- Each student will received a book of 5 tickets to sell.

***The more donations we get the more
prizes there will be in the raffle!***
