- **21/8/20**  
Play, Create & Connect
- **27/8/20**  
School Photos

### Reminder

Hats are to be worn

for outside play

Terms 3 & 4

Dear Families,

Welcome back! Term three has started smoothly with all classes settled and focused on their learning from day one. At Coorara every role is a starring role and this term we welcome three new staff to our team. Tyrone Milera joins our team starring in the ACEO role, Deb Bates and Beccy Nichols return starring as student support teachers.

Term 3 is shaping up to be an exciting term with some of the whole school events returning. Along with the classroom teaching and learning programs there will be class assemblies, playgroup on Fridays, rehearsals for our whole school musical Seussical Jnr, daily breakfast club and Sports Day. To keep up to date with what's happening around the school follow us on Facebook, visit our Skoolbag App or website.

#### Adam's Deli Lunch Service

We are pleased to advise that from **week 2** Adam's Deli will be providing a **lunch service** on **Fridays only**. To order lunch follow these four easy steps.....

**Step 1. Write your child's name, room number and unit on either a snap lock bag or paper bag**

e.g Molly Smyth, Room 5, Green Unit

**Step 2. Add your order to the bag**

e.g 1 x hot dog with butter and sauce \$4.20  
1 x banana \$1.20

**Step 3. Add up the cost of the items and place the money in the bag. (Change will be given)**

\$4.20 + \$1.20 = \$5.40

**Step 4. Place the order in the box provided in the front office no later than 9:15am**

#### COVID Update

There have been some positives that have come out of the COVID situation and the measures in place. Some of the positives that our staff team have noticed include:

- Increased independence of students coming in to school and leaving at the end of day
- Students taking more responsibility for organising themselves in the morning by completing morning routines independently
- Students happily playing with each other before school
- Students feeling grown up and proud that they can be independent
- Classes settle more quickly in the morning and students are ready to start their learning at 8:50am
- Less disruptions to teaching and learning time

Thank you to parents for practising social distancing on school grounds and working with us to foster student independence. At this stage parents/carers can still not enter school buildings. During COVID restrictions students have shown that they can confidently organise themselves and their belongings. **We encourage parents to continue to kiss and drop** in the mornings.

We value working with you and ask that if you need to speak to staff to communicate via email, diaries, See-Saw or through the front office. The COVID situation is fluid, I will continue to keep you informed as measures change.

Enjoy your week.

Regards,

Rebecca  
Principal

### ADAM'S DELI LUNCH SERVICE

Commence Friday Week 2 **Only available on Fridays**

Government  
of South Australia  
Department for Education

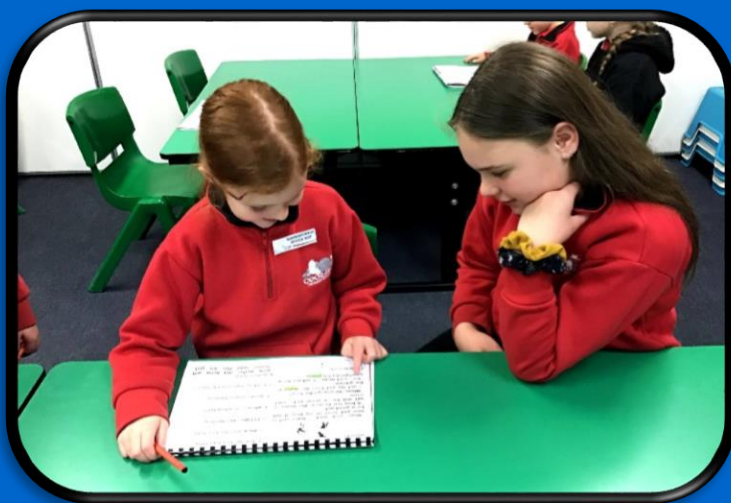

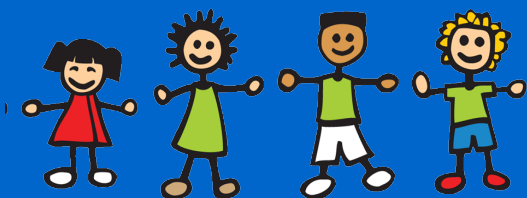

# Morning Reading

## Room 6

Due to Covid 19 we could not have our parents listening to us read in the mornings but some students from our Buddy Class (room 9) came in every morning to support us.

Thank you Room 9

## Maz's Staff Stories

### Another Amazing Teacher Taylor Greig Year 2/3

Taylor lives in Woodcroft and has a Border Collie puppy which she shares with her partner Josh, a Beagle named Finn and a Green Tree Frog named Fiona. The dogs love going for walks and getting spoilt.

During the holidays Taylor was very busy with her netball training, reading Harry Potter, sleeping, eating, and catching up on one of her favourite TV Series Glee.

Taylor's all-time favourite food is food that she doesn't have to cook and loves receiving anything colourful, Disney items and of course "food" Taylor's favourite sport is Netball and she plays AMND for Matrics at Priceline Stadium, and loves watching the Adelaide Crows.

Taylor's favourite holiday is the warm beaches of Queensland and hopes to travel overseas in the future.

School Holidays are enjoyable for Taylor as she can have some relaxation time, something she doesn't get during the term as she is always putting in extra hours marking work, making resources, and writing reports.

Taylor loves working with children, she loves helping them achieve success with all aspect of their life.

In return the children love Taylor particularly when she breaks out singing the things she says. The children love making fun of her fantastic singing voice.

Thank you, Taylor, you are an inspiration to our young children at Coorara Primary School.

"The beautiful thing about learning is that no one can take it away from you."

B. B. King

## ARE YOU OVER 18?

**DO YOU HAVE A DESIRE TO SAVE TOWARDS YOUR CHILDS/OWN EDUCATION?**

**DO YOU WANT TO RECEIVE UP TO \$500 SIMPLY FOR SAVING UP TO \$500 FOR 10 MONTHS?**

**Thursday 27 August 2020**

**ORDER NOW go to [www.advancedlife.com.au](http://www.advancedlife.com.au) and enter the code 38 R VFW ZAP**

**Photo envelops go home today – sibling envelops can be collected from the front office.**

Dear Parents, Guardians and Carers

### Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.australian.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards,

Rebecca Read  
Principal
