ATTENDANCE

Dear Families

It is hard to believe that this is our last newsletter for 2020 and the end of another successful year of learning! It has been a different year with lots of uncertainty however we have all worked together and shown resilience. On behalf of the staff I would like to thank all family members for your support and understanding this year.

The many successes this year are due to the hard work and dedication of so many people. Firstly, our staff, both the teaching and non-teaching staff. Every day they go above and beyond to make a difference to all children. Secondly, our Governing Council and volunteers who give up their time for the benefit of our school and students. Thirdly, our students who embraced different modes of learning and in some cases taught the teacher some ICT skills.

Tonight we farewell our year 6s and 7s. Our graduating year 6s and 7s are a wonderful group of young people and we wish them all the very best for their exciting secondary school journey.

At the end of the school year we will farewell five of our teachers Beccy Nicholls, Kelly Peterson, Jake Hollis, Tracey Collins and Rikki Jansen. We wish them all the best and thank them for their dedication to the Coorara School Community.

We are very fortunate to have a great team of skilled SSOs that support the teaching staff and children. We would like to thank them all for their dedication and going above and beyond to make Coorara a great place. We are in the process of finalising SSO hours for 2020 and at this moment we say farewell and thank you to Steve for his tireless work to our school community.

We thank you for your support in 2020 and look forward to working with you again in the New Year.

Kind Regards,

Rebecca Read
Principal
